

Instructions for student kit backpack

Materials needed:

- ◆ **Fabric for backpack**—35" long x 14" wide
(Use a strong fabric such as denim. If you have access to a commercial sewing machine, nylon or polyester canvas fabric can be used.)
- ◆ **Two 4 $\frac{1}{8}$ " square pieces of fabric**
- ◆ **Two straps for backpack**—each 23 $\frac{1}{2}$ " long x 1 $\frac{1}{2}$ " wide
(same fabric as bag, or nylon webbing)
- ◆ **Strap reinforcement strip**—2 $\frac{3}{4}$ " x 1 $\frac{1}{2}$ "
- ◆ **Two drawstrings, 30" each**
(cording can be used; burn ends to avoid fraying)
